Thank you for supporting Dance Kids by allowing ACN to provide your communications services!

Who is ACN?

ACN is the largest direct-selling telecommunications company in the world with market presence in 21 countries, more than a million customers and annual revenues exceeding half a billion dollars! ACN provides customers with the telecommunications and home services they already need and use every day, as well as the cutting-edge services of the future.

How does this work?

It's easy. By becoming an ACN customer, you'll receive the same services you're using today – at Competitive market rates – and Dance Kids will directly benefit financially!

How does this help Dance Kids?

You're buying these services anyway. If you buy them from ACN, Dance Kids will receive a percentage of your monthly billing. In other words, Dance Kids will receive a direct financial recurring amount from ACN for as long as you remain an ACN customer or for the term of your agreement.
