

Dance Kids Family,

Where do I begin? I hold so much respect for Carol, following in her footsteps as Dance Kids Artistic Director will be a challenge in itself. Thank you to everyone who has believed in Dance Kids, giving me the chance to continue creating magic on the stage.

We are already one month into Nutcracker 2008 rehearsals and are all so excited to be returning to Sunset Center. Things are progressing very well as we move forward looking forward to a breath taking performance from the cast. I look forward to celebrating the holiday season with each of you at the theater.

Sleeping Beauty, our spring ballet, will be here before we know it. The fairy tale classics are always a wonderful opportunity for families to enjoy together. We will be looking forward to a beautiful Aurora and other leads from our talented group of dancers.

Again, sincere thanks to each and every one of you for keeping a part of the Dance Kids magic and family alive. I look forward to seeing you at the theater for many more years.....

With love,

Tia
